

Volunteer Orientation and Information

Did you know, the average American will live 6 –10 years longer than it is safe for them to drive?

Discover how you can be a part of keeping your neighbors, church goers and other community members safe.

Friday November 15th 1:00pm-2:30pm

@ Waccamaw Neck Library

41 St Paul Pl, Pawleys Island, SC 29585

Volunteering 2-4 times a month with N2N allows you to:

- Meet valued community members with interesting stories.
- Create your own schedule!
- Miles and hours are tracked for your benefit!

RSVP

HELPING SENIORS AND VULNERABLE ADULTS AGE IN PLACE

Providing Services Since 2006

MORE SENIORS ARE MOVING TO THE BEACH

Myrtle Beach, SC is the **second fastest growing metro** area in the US. The number of persons 65 years and over **increased 23%** from 2010 to 2017. Seniors move and often leave their families behind. This creates **senior isolation**, especially if one **can no longer drive safely**.

SENIOR ISOLATION CREATES HEALTH PROBLEMS

Research shows seniors isolated in their homes develop **health issues**, putting them at **increased risk** for heart attack, stroke, **depression**, **early onset of dementia and Alzheimer's**. These conditions create a financial strain and **extra costs for our healthcare system**.

MODEL PROGRAM TO REDUCE HEALTH COSTS AND INCREASE POPULATION HEALTH

The need for RideN2N is increasing as more people move into coastal South Carolina.

RideN2N is a transportation support program **needed in all counties in SC**.

RideN2N Helps Save Taxpayer Money

With over 300 active volunteers, RIDE2N follows the **award winning Neighbor to Neighbor model** of helping seniors and vulnerable adults live well independently in their own homes, **using volunteers to offer FREE rides** to drive seniors to doctor appointments, a hair cut, go by the bank, a ride to church, a **ride to go vote**, all to help our seniors remain independent in their own homes.

Ride N2N provides **FREE rides in areas** with and without public transportation. RideN2N helps seniors keep important medical appointments—**lowering taxpayer burden** for Medicaid, Medicare and nursing homes costs.

RideN2N uses funds to provide volunteer support and activities for seniors.

According to **Governor Henry McMaster** in the South Carolina State Plan for Aging 2017-2021, "It is **important** to provide our **senior population** with the tools and services they need to **stay independent** in their own homes and communities."
