

**Amanda  
Romance**

**Director**

Hello, I am Amanda Romance. I moved to Murrells Inlet from Tega Cay, SC in 2018 with my husband Mark, my daughter, Lucy(16), my son Luke(13) and our dog Roger.

I have worked in the early childhood field for over 24 years. I obtained my Early Childhood Education Degree in 2003. I have worked with all ages from infants to five year olds.

After my daughter Lucy was born, I wanted to stay home with her. I opened a Family Child Care Home. Panda Paws served many families over a ten year period. I then entered back into the workforce as a Montessori lead teacher. I soon found myself in a leadership position.

I became the assistant director at a Christian school in Fort Mill SC. I have been the Director at The BCLC since 2018. The second I walked into the BCLC for the first time I felt like I found the place where I am supposed to be. I felt at home and that God led me to this place. You can truly feel God's presence and work being done inside each and every classroom. I feel very blessed to be a part of something so special and wonderful.
