Bailie**

Hi! My name is Maura Bailie and I am forty years old. I am a single mom of two, Brayden and Haylie. I have worked at Belin for almost six years. I am taking classes at Horry-Georgetown Tech.

I enjoy working with kids and helping them learn. In my free time I like taking my kids to the beach and looking for shells.

I love working in my two year old classroom.

**Ashley
Ware**

I am a teacher in the two year old classroom and I have worked at Belin for almost five years. I attended school for early childhood education and I knew from a young age that I wanted to work with children.

I have a beautiful four year old daughter, Cali, who attends BCLC. I have two cats, Boo and Luna.

My strengths as a teacher are understanding and building strong relationships with all the children in the school and their families. I love music, dancing and arts and I incorporate that with my teaching as well.

My wonderful co-teacher Maura and I have worked together for three years and we have a strong partnership and friendship, which is our foundation for the classroom.
