Haselden**

Hi there! I am Carrie Haselden, one of the four year old teachers at BCLC! I've been at BCLC almost five years. I've taught in Christian private education for fifteen years.

I'm married with two daughters and one grandson! My youngest daughter, Haley Haselden, works and helps at BCLC from time to time and will be graduating from Presbyterian College in May.

I am looking forward to the next in-coming class as they learn, grow and prosper.

Tucker**

I have been working at BCLC for fifteen years. Eleven of those years I worked as a three year old teacher and the last four years I have been the afternoon "door keeper".

I have my bachelors in Early Childhood Education and have been working at Socastee Elementary in a special needs preschool classroom during the school year.

My husband's name is Chris and my son's name is Grant. We love working outside in our garden and making hot sauces. We love Disney a bunch and can't wait to go back. We also have one pet, he is a crested gecko named Thunder.
