Parsons  
Assistant Director**

Hello! My name is Cindy Parsons and I am the Assistant Director at Belin Creative Learning Center. I have a Master's Degree in Elementary Education from WVU and am a retired middle school teacher.

My husband and I retired and moved to Murrells Inlet in 2016. We joined Belin United Methodist Church and I began subbing at the BCLC shortly thereafter. In 2019 I became the assistant director.

I have one daughter, two step daughters and three grandchildren, whom I love dearly. I also have two wild and crazy doodles, Oliver and Izzy!

My greatest joy every day, is walking through the BCLC doors and being greeted by a ton of smiles and hugs!
