

**Erin
Evans**

Hello! My name is Erin Evans I am twenty-five years old. I am one of three sisters. I have recently moved here from Pennsylvania with my family. I absolutely adore children. I have been working with children for over five plus years and I wouldn't change that for the world. They say do what you love and you'll never work a day in your life. I'm going to tell you that that is very true. I feel that working with children is definitely what I was always meant to do.

I am a huge animal lover, I like to walk my dogs every night after work when I can or play with them outside. I also really enjoy baking, and I love reading.

I am so blessed to have found Belin Creative Learning center.

**Haley
Haselden**

Hello! My name is Haley Haselden. I am twenty three years old. I graduated from Presbyterian College and received my Bachelors of Science. I also played softball while attending Presbyterian College as a left handed pitcher.

I have worked at Belin Creative Center the past four years part time while I was home from school. I am now working at Belin Creative Learning Center full time while furthering my education.

I love the kids and that makes my job here at Belin so enjoyable. I enjoy spending time with my family and friends. My favorite time of the year is summer. I love the heat and water!
