

**Libby  
Wilkes**

My name is Libby Wilkes. I have been blessed to work at BCLC for almost a year. I have worked in the four year old and two old classes.

My husband and I retired to Georgetown six years ago. We have two adult sons and three dogs.

I graduated from Winthrop College with a BS in Elementary and Early Childhood. I later earned a National Board Certification. I taught Kindergarten for many years before retirement.

I love the beach and reading. I enjoy working at BCLC and hope to share my love of books and reading with the children.

---

**Taylor  
Burgess**

Hi! I'm Miss Taylor and I'm one of the Two's teacher. I have been with BCLC close to a year now and I love every minute of it. I worked with the toddlers when I first started at BCLC, but there was a better opportunity in the Two's and I'm blessed to be here.

I have a 6 year old daughter and an old English bulldog. I have been in the area for about 18 years.
