

**Melanie
Mathers**

My name is Melanie Mathers. I am married and have two grown children. My husband and I moved to the Myrtle Beach area in 2016 from the Charlotte area.

I have worked in childcare for almost forty years. I started with after schoolers my senior year in high school, and have worked with almost every age group. I also have my Associates Degree in Early Childhood.

**Patty
Tate**

My name is Patty Tate. I have a bachelor's degree in Family & Child development from Virginia Tech and have a dozen years of experience in the child care field.

I love seeing the joy on a child's face as they discover the world around them, the wheels turning in their heads as they solve a problem and their hearts glow as they share a toy with a sad friend. My goal is to provide an environment and activities that promote these experiences.

I live in Surfside Beach with my husband of over thirty years, Larry and my Cocker Spaniel, Daisy.

My daughter Allie, is a travel agent in Winston-Salem. My son, Gar, works with screen-writers in Hollywood.

My interests outside of work include, reading/book club, Bible study, pickle ball, and of course, the beach!
