

**Gigi
Zannino**

Let me introduce myself I am Georgiana Zannino, a.k.a., Miss Gigi, and I will be working with Miss Brenda in the preschool/ pre-K program.

I currently reside in Myrtle Beach and I am originally from Connecticut where I was born and raised. I have two fantastic daughters, both of which are now adults, and live on their own one in North Carolina, and the other back in Connecticut.

I have a degree in Human Services with a heavy concentration in early childhood education. I have over 20 years of preschool and or pre-K experience, and a few of those years were also spent in an administrative capacity for a large childcare company.

I love relaxing at the beach on the weekends, taking long walks with my 80 pound boxer named Milo and spending time with my friends and family exploring the restaurants and shops in the area.

I'm excited to join the BCLC family and I'm enjoying my time getting to know your children and I look forward to meeting all of you.

**Brenda
Finch**

Hello! I am Ms. Brenda and I am happy to be teaching the THREE'S class at Belin Creative Learning Center.

We love to learn, laugh and sing, while we have fun and learn. Your child will be learning letters and sounds, numbers and counting and eye hand coordination, with cutting and coloring along with fun stories from the Bible, through the Abeka Curriculum. We love to use creative ways to learn.

I look forward to being your child's teacher.
